

## SECOND CIRCULAR

WORKSHOP on ALTO PROSPECTS  
February 5 – 7, 2018, Orsay, FRANCE

<https://alto2dot0.sciencesconf.org/>

### General Purpose

ALTO 2.0 is the project of reliability and sustainability of ALTO within the framework of a national strategy. From 5 to 7 February 2018, the organization of the [Workshop on ALTO prospects](#) will take place over three days at IPN Orsay. Two days will be devoted to physics, and one day dedicated to the reliability.

### Program

Nuclear Structure

Nuclear Dynamics and fission

Ion Matter Interactions

Nuclear astrophysics

Diverse Physics: from cosmology to applications

ALTO within national and international landscape

Reliability of radioactive beams

Reliability of stable beams

R&D studies at ALTO

Interaction with other divisions and services

**The detailed program is available on the website.**

### Registration

The event is free of registration fee but **registration is required**.

Participants are invited to register before **January 20<sup>th</sup>** by using the form available on the web page.

<https://alto2dot0.sciencesconf.org/>

### Social events

- A visit of ALTO facility, followed by a welcome cocktail, is planned at the end

of the last session of the first day (Feb. 5<sup>th</sup>). For whom will be interested, please tick the case on the registration form.

- A social dinner will be offered to participants on February 6<sup>th</sup>, at the restaurant “[Le Bouillon Racine](#)”, a charming Parisian Brasserie style in a stunning Art Nouveau décor close to the Quartier Latin. To attend the dinner, don’t forget to complete the registration form on the web site. For special requests (vegetarian menu, allergie issues,...) please send a mail to [alto2dot0@sciencesconf.org](mailto:alto2dot0@sciencesconf.org)

### Accommodation

Participants are requested to book their own accommodation.

You can find a large choice of hotels in Paris with a wide range of prices on different web sites such as the one of Paris Tourism Office (<https://en.parisinfo.com/where-to-sleep-in-paris>). Please note that IPN Orsay is about 35 mn from Paris by public transportation, from “Denfert-Rochereau” station of the RER B network.

For students, possibility to have rooms for less than 80 euros that can eventually be shared at international houses, such as:

FIAP (<http://www.fiap.paris/welcome.html>)

or CISP (<http://www.cisp.fr/cisp/default.aspx>)

Nevertheless, a list of hotels close to Orsay is available on the conference website <https://alto2dot0.sciencesconf.org/>.

### Local organizing committee

Marin Chabot, Valérie Frois, Fairouz Hammache, Fadi Ibrahim (chair), Abdel Hakim Saïd, David Verney

### Secretariat

Valérie Frois, Céline Gaubert, Elisabeth Seibert  
[alto2dot0@sciencesconf.org](mailto:alto2dot0@sciencesconf.org)

We are looking forward to seeing you in Orsay.
